## FATHER'S DAY GIFTS

Dear Parents,

Father's Day is fast approaching and as promised FoOF have purchased a selection of Father's Day gifts and on Thursday 12th June 2014 participating children can come along and choose a gift to buy. This will then be lovingly wrapped by a FoOF member while the child completes a label. The gift will then be given to your child to be kept safe until Father's Day. Any one item can be purchased for £2.00.

If you would like your child to participate and come along to our special Father's Day gift shop please complete the form below and return to the class teacher, along with £2.00, on or before the morning of Wednesday 11<sup>th</sup> June 2014 so FoOF can ensure they have enough gifts for **all** the children to purchase.

Please note: If you child is in year 4 and will be at Beaulieu from Wednesday to Friday, they will be able to purchase gifts on Tuesday 10<sup>th</sup> June instead. Please indicate this on the return slip. All other classes will be able to purchase on Thursday 12<sup>th</sup> June only.

**Please ensure any monies coming into FoOF are in a firmly sealed envelope with the event, your Childs name and class and the amount enclosed written clearly on the outside. This will ensure all funds are received and recorded against the correct child.**

Many thanks.

FoOF Committee
